

March 1, 2010

Dear Pacific Southwest Student Chapter:

This is your 2010 Pacific Southwest Regional Conference Mailer III, the third of three packets to be sent to each of the participating schools. Please read carefully through this packet and distribute copies to the appropriate chairpersons in your chapter; it will be posted on our website as seen below. Enclosed you will find the following information:

- ◆ Mailer III Receipt
- ◆ Updated Schedule of Events and Venue Map
- ◆ Event Rules (Technical Paper Presentation, Mystery Event, Dodge Ball, and Volleyball)
- ◆ Photo Tour of UNLV
- ◆ Google Earth KMZ File
- ◆ Legal Release Agreement

The event schedule has been updated to reflect the addition of Dodge Ball and the substitution of volleyball for oozeball. Since there are no national rules for the technical paper presentation, we have included the list of guidelines that your technical paper author shall follow when presenting. We have also included a photo tour of UNLV and a Google Earth KMZ file for you and your members to familiarize yourselves with our campus and event venues.

Receipt of this mailer should be confirmed by **e-mailing** the “*Mailer III Receipt*” by **March 15**. We would like to thank all the schools for submitting their early registration forms; please note that the late registration deadline is **March 12**. We ask that if you are planning on registering more attendees, that you inform us about their respective shirt sizes by **March 4** in order to guarantee proper shirt sizes.

If you have any questions, feel free to contact us at the e-mail address: pswrc2010@gmail.com. All questions and answers concerning the events, rules, etc. will be posted on our web site: <http://pswrc2010.unlvasce.org/>. We will do everything possible to answer your questions in a timely manner. We can't wait to see all 960 PSWRC attendees in April!
