

## 2010 American Society of Civil Engineers National Concrete Canoe Competition Spectators Pass

To: ASCE Student Chapters  
From ASCE Student Chapter, Cal Poly  
Re: NCCC 2010 Spectator Pass Information

As some of you may know, the ASCE Student Chapter at Cal Poly, San Luis Obispo is hosting the 2010 ASCE National Concrete Canoe Competition (NCCC) from June 17<sup>th</sup>-19<sup>th</sup>. We would like to formally invite you to join us for this competition. We believe this would be a great opportunity for each of your schools to meet students from across the nation and learn from some of the best concrete canoe teams. We have put together a Spectator Pass to encourage you to attend the competition in June. The Spectator Pass costs \$80 per person and includes: parking and lunch for all three days, breakfast on the day of the races, a competition program and T-shirt, and a ticket to the Thursday night ice breaker event with the competing schools.

Below is a breakdown of the schedule of events for the competition. The benefits of the Spectator Pass follow. We have set a deadline of May 1<sup>st</sup> for the reservation of these passes and may limit the number of passes sold based on interest. Feel free to contact Steve Gurske at [sgurske@calpoly.edu](mailto:sgurske@calpoly.edu) if you have any questions or require additional information.

### *Preliminary NCCC Schedule*

#### **Thursday June 17<sup>th</sup>**

- 8:00AM -8:30AM: Group Picture featuring all competing teams on Dexter Lawn
